## Superfund: National Priorities List (NPL)

[NPL Home](#)

[Basic NPL Information](#)

[HRS Toolbox](#)

[NPL Site Status Information](#)

[Federal Register Notices for NPL Updates](#)

[HRS Subsurface Intrusion Component](#)

The National Priorities List (NPL) is the list of sites of national priority among the known releases or threatened releases of hazardous substances, pollutants, or contaminants throughout the United States and its territories. The NPL is intended primarily to guide the EPA in determining which sites warrant further investigation.

- [New Proposed NPL Sites & New NPL Sites](#) - Documents for the most recently proposed NPL sites and recently added NPL sites, including: Documentation Records, Site Listing Narratives, Support Documents and other supporting documentation.
- [View a map](#) of all the sites in the U.S., currently on the NPL, proposed to the NPL and deleted from the NPL.

The following table shows the number of Federal and general sites for each status and milestone as of

Status	Non-Federal (General)	Federal	Total
<a href="#">Proposed NPL Sites</a>	48	3	51
<a href="#">NPL Sites</a>	1178	157	1335

<b>Status</b>	<b>Non-Federal (General)</b>	<b>Federal</b>	<b>Total</b>
<u>Deleted NPL Sites</u>	407	17	424

<b>Milestone</b>	<b>Non-Federal (General)</b>	<b>Federal</b>	<b>Total</b>
<u>NPL Sites with Partial Deletions</u>	61	21	82*
<u>NPL Sites with Construction Completions</u>	1132	80	1212**

Sites that have achieved these milestones are included in one of the three NPL status categories.

*	106 partial deletions have occurred at these 82 sites.
**	Starting in FY14, the universe of potential site-wide CCL sites includes final and deleted NPL sites as well as sites with Superfund Alternative Approach (SAA) agreements. Since FY14, CCL has been achieved at eight sites with SAA agreements. Prior to FY14, CCL was achieved at nine sites with SAA agreements. For more information about SAA sites, see: <a href="http://www.epa.gov/enforcement/superfund-alternative-approach">http://www.epa.gov/enforcement/superfund-alternative-approach</a> .
